

CJ Dental Protocol During Coronavirus (COVID-19) Outbreak

The following precautions are being taken during the time of community social distancing for Coronavirus Pandemic.

1. As patients arrive to the office they are to stay in their vehicle and call the office to check in. Once their car is available CJ Dental will call them back and have them come into the office and will be taken to their car immediately.
2. All CJ Dental clinical personnel will be wearing DD9 Ug'i gi U" b' UXX]h]cb'k Y'k]" VY'k YUf]b['U'ZUW' g\]Y'X'Zcf'U" d'fcW\Xi fYg'Ug'k Y"Ug'U'ZUW'a Ug_Xi f]b['U"]bhYfUW]cbg'k]h\]b'h\Y'cZZ]W"
3. We are taking temperatures of every patientž W\YW_]b['C&'sUhi fUh]cb]Yj Y'gžUbX asking travel history and health history of cough, shortness of breath, or fever in the past 14 days.
4. Every patient is rinsing with 1.5% Peroxyl for 1 min prior to each appointment to kill any virus/ bacteria in their mouth Uh'h\Y'h]a Y'cZ treatment.
5. High speed suction is used with any procedure that creates aerosol contamination.
6. We are disinfecting all common areas such as bathrooms, front desk counter, coffee bar between each patient.
7. All employees at CJ Dental are taking every precaution in their home-life to avoid being exposed to the virus, and we are taking employees temperatures and checking O2 saturation levels daily.
8. Our office will communicate with you beforehand to ask some screening questions. You'll be asked those same questions again when you are in the office.
9. We have hand sanitizer that we will ask you to use when you enter the office. You will also find some in the reception area and other places in the office for you to use as needed.
10. You may see that our waiting room will no longer offer magazines, children's toys, and so forth, since those items are difficult to clean and disinfect.
11. Appointments will be managed to allow for social distancing between patients. That might mean that you're offered fewer options for scheduling your appointment.
12. We will do our best to allow greater time between patients to reduce waiting time for you, as well as to reduce the number of patients in the reception area at any one time.
